SUBJECT: NEW INFORMING POLICY FOR THE TRANSITIONAL CHILD CARE
(TCC) PROGRAMREFERENCE: Manual of Policies and Procedures (MPP) Section
40-173

The purpose of this letter is to implement revisions to the notification requirements of the Transitional Child Care (TCC) Program. The procedural guidelines contained in this letter must be implemented immediately.

Currently, counties are required, pursuant to MPP Section 40-173.81, to send TCC notification to Aid to Families with Dependent Children (AFDC) recipients who are discontinued for: 1) increased income, 2) loss of income disregards, 3) increased hours of employment, or 4) failure to submit a completed monthly income report when it can be proven that the family would also have been discontinued due to one of the other three reasons. As a result of a federal mandate, these requirements have been revised to require counties to notify all AFDC recipients in writing about the TCC Program when they are discontinued from AFDC. Therefore, counties must add NOA Message No. M40-173 (see attached revision) to all AFDC Discontinuance Notices of Action (NOAs) or send TCC Program information such as the TCC 11 (TCC Stuffer) or the TCC 13 (TCC Information Sheet) in a separate mailing at the time of AFDC discontinuance. The above regulation section is currently being revised to reflect these changes and will be forwarded to you upon adoption.

If you have any questions regarding this letter, please contact Ms. Jan DeSilva of the Child Care Programs Section at (916) 654-1768.

ADDITIONAL OPTIONAL MESSAGE: You can phone your TCC worker at _____.

WHEN TO USE THE MESSAGE: The county is required to notify all families being discontinued from AFDC of the potential eligibility for TCC.

- This requirement can be met by inserting the above message at the end of the NOA discontinuing the case.

The informing requirement can also be met WITHOUT including this message on the discontinuance NOA. The requirement can be met by sending any of the following TCC informing documents to the client at the time of the discontinuance action:
